Dear Dr. Wirasinghe:

Thank you for providing Catholic Charities with training on "The Art of Creative Thinking and Decision Making." Your knowledge of the material was excellent and your passion for the topic, remarkable. Instead of attending a dry, boring lecture, our staff was presented with a lively, entertaining learning experience. We learned a great deal about the art of decision making and look forward to implementing more of your concepts at our agency. I am only sorry that we did not have more time as there was so much more we realized we needed to know!

Thanks again, Dr. Wirasinghe, for sharing your sincere knowledge and passion for decision making with us.

Sincerely,

Natalie M Wood MA, LPC
